MD Helicopters Exhibits at Global Defence Helicopter

Warsaw, Poland, November 2, 2021 – [MD Helicopters, Inc.](https://www.mdhelicopters.com) (MDHI) will be joining an impressive collection of industry leaders at the 2021 Global Defence Helicopter show, November 2-4, 2021, at the Warsaw Hilton Convention Centre, Poland.

Global Defence Helicopter is one of Europe’s largest dedicated military helicopter events and focuses on bringing together NATO, active-duty military, government personnel, and industry representatives. The show focuses on creating a clear understanding of future requirements and capabilities for next generation, multi-role rotary platforms. This year’s topics will address a variety of issues from *Future Operating Environment Impact on Rotary Capabilities* to *Accelerating the Quality of Future Programmes*.

“Exchanging information and ideas in an environment like this is invaluable,” says Steve Lapping, MD Helicopters’ Senior Director of Business Development, Military Sales. “These discussions will help MD evolve our product line to better meet the requirements of military operations worldwide.”
